Camp Off-Season Devotional Copy

kiddercreekcamp UNPLUGGED Devotional – Come alongside us as we set down distractions and adventure together into the rest that God has designed us for!

Solitude and silence were a significant element of Jesus' ministry. He often withdrew from the crowds and went into the wilderness to pray, particularly when he needed to take space to connect with his Father after a busy season. During your next devotional time, challenge yourself to sit in silence for a couple minutes and follow the prompts below:

- Get outside and find a comfortable place where you won't be distracted.
- Ask God to speak to you and sit quietly listening to hear what He has to say.
- Sit in silence for 5-10 minutes, meditating on the different qualities of God and the ways He has demonstrated those qualities in your life. How do you view Him? Creator? Stronghold? Comforter? Counselor?
- Unplug from your phone and social media. Go on a walk or run instead of scrolling online. Try running without music!
